## **Multi-Titlist (MT) Award Criteria**

Dogs will be awarded a recognition certificate for earning two or more AKC or ESSFTA titles within an award year. Additionally, a dog will also be awarded a medallion for earning titles in three or more qualifying venues. The National Awards Committee will verify titles with AKC records. Any disputes with respect to interpretation or application of the rules will be referred to the Board of Governors for resolution. The Board's decision will be final.

Only titles earned in AKC Venues or thru the AKC Title Recognition Program count towards the ESSFTA Multi-titlist Award. Titles earned thru the Title Recognition Program must be submitted to AKC for acceptance. All submitted titles will be verified thru AKC Records before issuing an Award. If a title does not appear in the AKC database, it will not be recognized for the Multi-Titlist award.

Information printed on the Award Certificate and Medallions will be taken from the information submitted on this application. It is the applicant's responsibility to verify that the information provided is accurate and spelled correctly. Keep a copy of this application until you receive your award. All Awards will be published on the ESSFTA Parent Club Website by April 15. Please check the website after April 15 to verify spellings and titles. If your dog is not listed at that time, your application was not received.
