In addition, the following conditions apply to the Versatile Springer Award:

1. Titles earned in at least three of the categories must have been completed while the owner was a member in good standing with the ESSFTA. Application for membership does not constitute membership. (Please note that there may be a waiting period of up to ninety days to complete the application process.)
2. If the dog is owned by more than one individual, ALL individuals must be members of the ESSFTA for at least six months prior to the end of the award year.
3. The contenders are responsible for reporting their own titles. Copies of certificates issued by the AKC are suggested.
4. The qualifying titles do not have to be earned during the award year. Any disputes with respect to interpretation or application of the rules will be referred to the Board of Governors for resolution. The Board's decision will be final.
